Stay Safe: Level 3- Security for Managers

IFRC

Welcome!

These are **Levels 1, 2 and 3** of the **Stay Safe 2.0 Global Edition**.

Level 1 is aimed is aimed at **office workers** who do not engage in field or emergency work, but who require basic safety and security training.

Level 2 is meant for **staff and volunteers** working in emergencies in a national context or abroad.

Level 3 is aimed at those who have **security management responsibilities** for staff working nationally and internationally.

You will need to have passed through Levels 1 and 2 to start Level 3.
